HOW TO REGISTER FOR CNT25 / 19-21 NOVEMBER 2026, IAȘI

To register for CNT25 – the National Foundry Conference, access the section dedicated to the event on the website of the Romanian Foundry Technical Association (ATTR).	On the CNT25 page, select the option **“Click here to register”.**	
For English push **EN switch from right corner**.	

After **EN** switch will be pushed, the **registration form will open**. Enter the participant's details and the information required to attend the event.	In the form, enter the participant's first and last name, institution/company, position, contact details and e-mail address,	Data on the type of participation, using the section menu **"What are you registering for?"**	

For participants submitting papers In the section **“Conference fee”** select the option you require. The **paper registration menu will open for participants who wish to present a paper.**	The **Paper type** menu offers the options **Oral presentation** or **Poster.** The **Do you to publish the work? menu has 3 options.** **You complete the all fields in accordance with comments specified.** **Co-authors or accompanying persons register without completing the paper details.**	For companies wishing to participate in the exhibition In the section **“Exhibition fee”** select the option you require.	

For companies that do not wish to participate in the exhibition or Conference, but would like to be promoted at the ATTR stand using their own promotional materials In the section **“Promotion fee at the ATTR stand”** select the option you require.	In the section **“Invoice type details”** select the option you require. **ATTENTION:** **The participation / exhibition / promotion fee must be paid only after the invoice has been issued by the organizers.**	If participation is on behalf of a **company or institution**, the information required for invoicing must also be completed as shown in the image.	If the participant is an **individual** person, complete the form as shown in the image.	
After completing the form, carefully check all the information you entered. By clicking the **Preview entered data option**, a pdf file is generated, which you can open/save.	Submit the form by pressing the "Submit/Register" button. After the form has been successfully submitted, the participant will receive a registration confirmation (also check the Spam folder). Information regarding payment of the participation fee, the invoice and the event programme will be communicated in accordance with the CNT25 procedure. Important: each person attending CNT25 must complete an individual registration, even if several participants are from the same company or institution.
